Corporate Capability Profile

Delivering Industrial Solutions.

Corporate Overview

Innovation Emirates General Contracting L.L.C (IEGC) is an Abu Dhabi-based general contracting company with a strong foundation in civil construction, infrastructure development, structural works, electrical installations, and associated facility services. Building on its established capabilities, IEGC is pursuing a strategic growth plan focused on the following key initiatives:

- Expanding its presence in the Oil & Gas, Power, Petrochemical, and Industrial construction sectors.
- Strengthening corporate management expertise, multidisciplinary construction capabilities, and specialist resources.
- Developing long-term business relationships with asset owners, EPC contractors, and industrial developers.

IEGC is a member of **Hospitality Group, Abu Dhabi**, a diversified conglomerate specialised in facility management, infrastructure support and construction services across the UAE.

Hospitality Group has established a strong presence in the region through its commitment to service excellence and reliable delivery, providing comprehensive support services to major contractors, particularly within the Oil & Gas and Industrial project sectors. The Group is driven by a commitment to customer focus, operational excellence, and the creation of long-term value for its associates, clients, investors and the communities it serves.

Drawing on the Group's established industry presence, management expertise, and operational resources, IEGC is focused on further strengthening its technical capabilities and expanding its construction portfolio.

Guided by a commitment to safety, quality, reliability, and integrity, IEGC strives to deliver projects that meet client expectations and industry standards, foster enduring business relationships, and create sustainable value for all its stakeholders.

Vision, Mission & Values

VISION

Our vision is to become a trusted construction and industrial services partner as we expand into energy and oil & gas markets.

MISSION

Our mission is to deliver safe, efficient and value-driven construction solutions through competent leadership and effective project management.

CORE VALUES

- **Safety:** protecting people, assets and the environment
- **Integrity:** ethical and responsible business practices
- **Quality:** meeting agreed technical and contractual requirements
- **Reliability:** commitment to project delivery
- **Partnership:** building sustainable client relationships

HSE

IEGC's HSE management system is certified to ISO 45001 (OSHAS) and ISO 14001 (environment management system)

IEGC is committed to assure safe working conditions and compliance with applicable regulations, HSE management systems that include :

- Project-specific HSE Plan
- Risk assessments and method statements
- Safety inspections, toolbox talks and PPE
- Environmental protection and emergency preparedness
- HSE training and competence development
- Incident reporting, investigation and mitigation
- Ongoing HSE initiatives

Our HSE Commitments Include:

- **Health and safety protection:** Provide safe and healthy working conditions for all employees and subcontractors.
- **Accident prevention:** Identify workplace hazards, assess associated risks and implement appropriate control measures to prevent accidents, injuries and occupational illness.
- **Legal compliance:** Comply with applicable HSE legislation, statutory requirements, industry standards and client-specific HSE requirements.
- **Environmental protection:** Minimise environmental impacts by preventing pollution, managing waste responsibly, conserving natural resources and promoting sustainable construction practices.
- **Training and awareness:** Ensure employees and subcontractors receive appropriate HSE training and instruction and have the awareness needed to perform their duties safely.
- **Emergency preparedness:** Establish effective emergency response procedures and provide adequate resources to manage emergency situations.
- **Incident reporting:** Encourage prompt reporting and investigation of incidents, accidents and near misses to identify root causes.
- **Employee welfare:** Provide a fair, respectful, supportive and inclusive working environment where every employee is treated with dignity and equality, regardless of nationality, background or position.

ISO 14001

Quality

IEGC is accredited to the ISO 9001:2015 quality management system standard.

IEGC is committed to delivering construction projects that meet the highest standards of quality, reliability and customer satisfaction. As a growing construction company, IEGC recognises that quality is the foundation of its reputation and long-term success.

IEGC is committed to:

- **Quality excellence:** Deliver projects in accordance with specifications, applicable codes and contractual requirements.
- **Compliance:** Adhere to applicable statutory requirements, industry standards and relevant quality management systems.
- **Quality control:** Implement effective inspection, testing and quality assurance procedures at every stage of construction.
- **Competence:** Develop and maintain a skilled, responsible and quality-conscious workforce.
- **Continuous improvement:** Identify opportunities to improve processes, workmanship, productivity and overall performance.

IEGC Promise: Quality in every detail, excellence in every project.
